

We would like to invite you to participate in the **IMGC Workshop 2014**:

Tools and possibilities for optimized milk

October 9 & 10, 2014

Aarhus University, Campus Aarhus, Studenterhusfonden,
Fredrik Nielsens Vej 4, 8000 Aarhus C. Meeting Room 1.

The workshop will combine expert lectures and presentations by workshop participants with tutorial working sections and group discussions.

Workshop sessions:

- Genes, milk composition and properties
- Milk from native breeds
- Small milk components: metabolites, oligosaccharides, peptides and vitamins
- Technological properties of milk
- New breeding markers for improved milk quality

October 9 will be a full day program including a social event in the evening. October 10, the workshop will end at 2 pm.

If you wish to **participate** in the workshop, **please register at:**

https://auws.au.dk/Tools_and_possibilities_for_optimized_milk_2014

no later than **September 1, 2014**. Registration fee is 800 Dkr. The registration fee covers all meals during the workshop and a social evening event on October 9.

Please indicate at the website, whether you would like to give a presentation at the workshop and provide a preliminary presentation title.

Any questions regarding the workshop, **please contact** local organizers **Tove Stenholt Nielsen** (Tove.Nielsen@agrsci.dk) and **Nina Aagaard Poulsen** (Nina.Poulsen@agrsci.dk).
